

Addiction

Put the verbs in the correct tense.

When I _____(be) young I used to always play games on my phone and never _____(talk) to my friends and family. I _____(be) really arrogant. I never _____(want) to hang out with friends. Nowadays, I love _____(go) out. I am barely ever on my computer, and I am more social than I _____(use to) be. I _____(never be) happier, and I hope that that _____(never change). _____(be) addicted to social media is an awful thing. It _____(make) you anti-social and it _____(damage) your sight. No one should be addicted to anything. I hope that one day I _____(go) around the world and tell people about addiction. I _____(go) make people realise what social media is doing to them.
